

## Press Release

**Total proposes a final 2019 dividend of 0.68 €/share, an increase of 6%, and an annual dividend of 2.68 €/share for fiscal year 2019**

**Paris, February 6, 2020** – The Board of Directors met on February 5, 2020, and decided to propose to the Shareholders' Meeting, which will be held on May 29, 2020, the distribution of a final dividend of 0.68 €/share for fiscal year 2019, an increase of 6% compared to the final 2018 dividend. This decision reflects the implementation of the policy announced on September 24, 2019, to accelerate dividend growth in the coming years, with a guidance of increasing the dividend by 5 to 6% per year.

Given the first and second 2019 interim dividends of 0.66 €/share and the third 2019 interim dividend of 0.68 €/share decided by the Board of Directors, the annual dividend for the fiscal year 2019 will amount to 2.68 €/share, compared to 2.56 €/share for the fiscal year 2018, an increase of nearly 5%.

Hence, subject to approval at the Shareholders' Meeting, shareholders and American Depositary Shares (ADS) holders will receive the final 2019 dividend in cash according to the following timetable:

|                  | <b><u>Shareholders</u></b>  | <b><u>ADS holders</u></b> |
|------------------|-----------------------------|---------------------------|
| Ex-dividend date | June 29, 2020               | June 25, 2020             |
| Payment date     | July 1 <sup>st</sup> , 2020 | July 20, 2020             |

### **About Total**

Total is a major energy player, which produces and markets fuels, natural gas and low-carbon electricity. Our 100,000 employees are committed to better energy that is safer, more affordable, cleaner and accessible to as many people as possible. Active in more than 130 countries, our ambition is to become the responsible energy major.
